Website to track your exercise activity through various workouts.

- **Role:** Responsible for creating the functionality for the application to work.
- **Tools Utilized:** HTML, JavaScript, API's, Mongoose, and Express.

Geolocation Dictionary Application | Front-End Developer

Deployed Link: brunojoey.github.io/geolocation-dictionary-app **Code:** github.com/brunojoey/geolocation-dictionary-app

A dictionary application where you are able to find a definition of a specific word and also see where you are searching from.

- **Role:** Responsible for co-designing the application.
- **Tools Utilized:** HTML, Skeleton CSS, JavaScript, and hosting/domain from Github Pages.

EXPERIENCE

Rizzy Home: Calhoun, GA | Social Media Manager & Graphic Designer

09/2018 – 05/2019

Created a monthly and yearly sheet to plan out various social media posts throughout different mediums to achieve an efficient social media schedule. Consolidated over a hundred different inventory folders to delete unnecessary photos. Created various photos and designs to post through Adobe Creative Cloud. Co-designed and wireframed Rizzy Home's 2019 Catalog while achieving a high satisfaction from my manager.

EDUCATION

Vanderbilt University: Nashville, TN

Full Stack Web Development Certificate | 2020

Gained technical programming skills: HTML, CSS, JavaScript, Express.js, React.js, Node.js, and MySQL.

The University of Tennessee at Chattanooga: Chattanooga, TN

Bachelors of Arts in Communications & Spanish
